

Altinkum.com is established in 2002. We have prime location offices in Didim, England and Russia and offer clients a wealth of experience in the areas of Property Sale, Property Lettings and Property Management.

The Property sale services is based in our England and Russia Office. We have an enviable reputation for offering a very professional and efficient service, making the process stress free for clients.

We have Lettings Department in both our England and Didim Offices. We manage and let a large number of properties throughout the county offering potential Landlords a number of specific packages tailormade to their requirements, from a Full Management Service to just Finding a Tenant Only.

We also have Property Management Service. We manage property throughout England and Didim, including blocks of flats and residential developments.

We pride ourselves on providing clients with an exemplary level of service. All our Staff are extremely professional but friendly and approachable too.
